

Milton Business Association

Meeting Minutes for: April 17, 2008

In Attendance: Aaron Vincelette, Rose Marie Ryea, Tony Micklus, Jamie Parent
Laura Ryan, Tammy Sweet and Jerome Reen

Guest: Sandi Miller – Town Manager and Regina Mahoney – Planning Director

Forum of Meeting

Tony welcomed Sandi Miller and Regina Mahoney and thanked them for taking the time to meet with us. Briefly explained why we invited them to the meeting and Asked questions below: (I have shortened the original questions for the minutes)

Q1 - Creation of a permit package

Response: Town is currently working on a Package for Permit we should direct interested candidates to them and to their website. They currently have a fee check list. The town suggested for existing business owners that have been through the process to help/mentor new businesses with the applications. All application on line at the Town of Milton Website. Problems with arise from people who do not follow the town's process. More expensive and will delay the permit process. The town is also working on having Technical Review meetings in the future.

Q2 – How to keep MBA apprised of any future zoning changes

Response: It is currently published in The Milton Independent and posted At The Dam Store, Rene's Store and Middle Road Market. They usually send out letters to the homeowners when they our major changes. Regina agreed to email the MBA with zoning changes.

Q3- MBA Seat on Economic Board

Response: Yes it is still available; Tony will apply for the position (application Is on the website)

Q4 – Why does it take so long to get a 911 address for the Post Office?

Response: Regina will look into the problem to see if we can resolve this.

Q5 - What can MBA do to help The Town?

Response: What is our mission? What do we do? In the past it has seemed like a grip session instead of place to educate businesses in the town of Milton.

Miscellaneous Items:

Sandi said that they have a very limited staff and we need to be patient with the process, also another resource to use is Carrie Violette she is director on economic board
